When you select our services you have selected quality. You'll receive 100% of quality service for every dollar you spend. We have a fleet of service vehicles to serve your location any-where within the Greater Chicago land area. Our service personnel are fully trained and licensed to do the work in your area. Our modern Hydro test equipment has been certified by the U.S. Dept. of Transportation. Our Quality Control inspectors' spot-check our work for safety. We sell only quality FM approved and U/L listed equipment. We conduct fire demonstrations for "hands-on" operations. Most of all, we provide quality and fast service if and when you need it.
